PROPERTY OVERVIEW

2 

2.5 

1,313 sqft.

1,262 sqft. 

Gorgeous townhome-style condo is located in desirable Sandalwood complex, walking distance to downtown Sunnyvale and minutes from tech companies. Built in 2017, the multi-level condo features an open floorplan with beautifully-updated kitchen and an abundance of natural light, contemporary wood-look porcelain tile flooring, two large bedrooms with ensuites, LED recessed lighting and 9 ft. ceilings throughout. Entertainer's kitchen is complete with large island with storage and breakfast bar, stainless-steel appliances, quartz countertops, upgraded custom backsplash, and shaker-style cabinets. The Sun-filled master suite features walk-in closet and ensuite with dual-sink vanity, and large shower with built-in bench. Other features include sheer window shades throughout, and cozy balcony overlooking picturesque courtyard. Park like community features clubhouse, dog-friendly playground, and greenbelt trails. **Schools:** Ellis Elementary, Sunnyvale Middle, Fremont High School
